Best Friends Forever Pillow

Featuring “Bubblegum Basics” Fabric by QuiltSoup for Henry Glass & Co.

18 “ square finished pillow

Sewing Instructions

Pillow top: 18 ½” square

1. Sew Pink 2” x 8” strips to sides of the fussy cut 8” square. Press to pink.

Sew pink 2” x 11” strips to top and bottom of block. Press to pink.

2. Sew red pindot 1 5/8” x 11” to sides and press to red. Sew 1 5/8” x 13 ¼” to top and bottom and press to red.

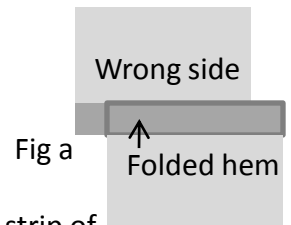

3. Sew 1 ¼” x 13 ¼” white pindot to sides and press to white. Sew 1 ¼” x 14 ¾” to top and bottom and press to white.

4. Center a 16” strip of white ric rac on top of 2 3/8” x 14 ¾” daisy strip and center the peaks and valleys in the ric rac. This is why you need a little more ric rack than the length of the green strip. Pin and sew lengthwise down the middle of the ric rac. Trim the ends of the ric rac flush with green print. Make four. Sew 2 of these to sides of block. Sew 2 3/8” white squares to both ends of remaining 2 green strips. Sew these to top and bottom of pillow.

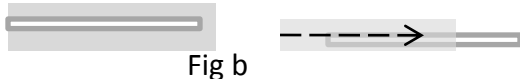

5. Pillow back: Make 2 folded hem units as follows:

Cut 2 – 14 ¾” x 18 ½” pink polka dot. Fold top edge down ¼” and press.

Fold this end down 2 ½” and press again. Overlap hems so the backing measure 18 ½” square (fig a).

6. Cording: The idea is to make a cloth covered piece of cording. Cut 1 ¼” strip of red small floral. Place 45” piece of ¼” cotton cording in the center of the strip on the wrong side of fabric. Fold fabric over cording and sew using a zipper foot (fig b). Layer pillow front and pillow back right sides together. Place cording in between the pillow front and pillow back with the cording at the left side. Sew together with a ¼” seam allowance. Clip corners and turn pillow right side out.

7. Stack a red button on top of a green button and sew to white corners of pillow top with 3 strands of embroidery floss. Run thread through button holes at least twice and finish with a square knot. Clip leaving about ½” tails.
