

Grammar's Garden

Approximately 51" x 60" quilt
Template free cutting instructions

Template free cutting: If you don't like to use templates, you may cut pieces B & C and the bottom of the basket (see pg 2, Pink Vine) as follows:

Templates B&C: Cut 2 1/2" x 9 1/4" strips and trim ends at 45 degree angles in the direction shown on the templates. Lay ruler on the point of the corner and cut away.

Basket Bottom: Cut 1 7/8" x 6 7/8" strips for for basket bottoms as called for in pattern. Trim ends on 45 degree angles as shown:

Setting Triangles: You may overcut setting triangles (pink Oval) at 18 1/4" instead of 18 1/8" if you think you might want a little more of a fudge factor. Either size will work.
