57 ½” x 66 ½” quilt  
Sewing Instructions

Finished block size: 7 ½”

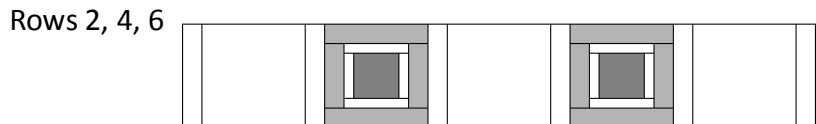

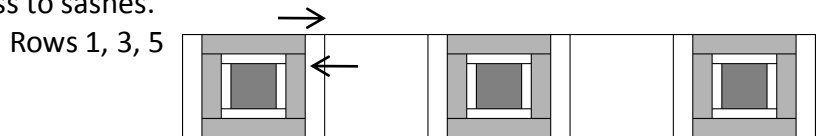

Log Cabin Blocks: Make 15 in assorted colors.

1<sup>st</sup> round: Sew white 1 ¼” x 3 ½” to sides of red 3 ½” squares. Press to white.  
Sew white 1 ¼” x 5” to top and bottom of unit. Press to white.

2<sup>nd</sup> round: Sew colored 2” x 5” to sides. Press to color. Sew colored 2” x 8”  
to top and bottom. Press to color.

Beginning and ending with a sash, sew rows 1, 3, 5 together first. The first block in these rows is a log cabin block. Sew rows 2, 4, 6 together but place a word square at the beginning of these rows. Press to sashes.

Beginning and ending with a post, sew sashes and posts into rows. Press to sashes.

Sew a sashing row to a block row and press to sash. Continue until all sashes and rows are sewn together. Quilt (including seam allowance) measures 47” x 56” at this point.

Sew pieced inner border to sides of quilt first and then to top and bottom. Press to border. Quilt (including seam allowance) measures 50” x 59” at this point.

Sew outer border to sides first then to top and bottom. Press to border.
